## Christmas Seals Aid In Fight Against Tuberculosis

### Speaker at Lions Club Traces History of Tuberculosis and Seals

Guest speaker at the regular meeting of the Lions Club Monday evening at the Imperial Hotel was C. Robert Dickey, General Secretary of the Alberta Tuberculosis Association, who spoke in support of the annual Christmas Seal sale of the Alberta T.B. Assn.

Mr. Dickey's subject, "The Story of Christmas Seals," proved most interesting, as he traced the history of tuberculosis and told his listeners how the idea of selling special Christmas Seals to aid the fight against this disease was first formed.

Tuberculosis is as old as the human race. It is known that it killed cavemen, it killed Egyptian kings and peasants, and it has killed and continues to kill more human beings than all the conquerors of history.

Although symptoms of the disease were recognized as early as the 17th century, it was not until the 19th century that real progress was made in the knowledge of tuberculosis, with the discovery of the specific T.B. germ and X-ray, and, towards the end of that century the gaining of the knowledge that fresh air, sunshine and rest were of vast importance in the fight against the insidious disease.

#### An Idea Is Born

In 1904, in Copenhagen, Denmark, a minor employee of the post office, Einar Hoelbeil by name, had a thought occur to him as he was sorting mail. Suppose all the thousands of Christmas messages in all the post offices, bore another stamp, a little one-cent stamp extra, and suppose the proceeds from the sale of these extra stamps could be devoted to the care of sick children?

He thought about it, talked about it, and his plan eventually reached the ears of King Christian of Denmark, who gave his support to the movement, stipulating that the first Christmas stamp should bear the likeness of his queen, who had died of a sickness that might have been tuberculosis. The first year \$4,000 worth of Christmas Stamps was sold. In the next few years the sale grew and enough money was raised to build several hospitals for sick children and the sale of stamps became associated with the care of tuberculous children.

In 1907 the idea reached this continent and since then the sale of Christmas Seals has grown to the extent that last year nearly \$20,000,000 was raised by this means in Canada and the United States.

#### Winning the Fight

In 1904 tuberculosis was the first cause of death in Canada, killing 200 persons of every 100,000 of population. The Canadian Tuberculosis Association was formed in that year. Encouraged by the pressure of public opinion, financed by voluntary contributions through the Christmas Seal sale and with the co-operation from the medical profession and governments, tuberculosis has now been reduced from first to seventh cause of death, with deaths per hundred thousand now 43 instead of 2000.

Alberta has a tuberculosis Division and a health program that is second to none, which has been instrumental in bringing our death rate down to third lowest in Canada. We have excellent care for the tuberculous and we have laws that require tuberculosis to be reported as soon as discovered and laws that require persons with infectious diseases to take proper treatment in a sanatorium.

Last year saw another decrease in deaths from tuberculosis on this continent. Alberta experienced a notable reduction—from 37 to 32 per 100,000 of population.

Christmas Seals have bought two mobile X-ray units, with which the department of Health has X-rayed about 500,000 Albertans, uncovering 800 cases of active tuberculosis and 5,000 cases of old or inactive disease. In addition to these findings, 15,000 people in Alberta have been informed of other abnormal chest conditions, such as cancer or heart disease, which were altogether unsuspected by the patients. Literally hundreds of people have had their lives saved by these warnings.

Christmas Seals are now financing a new case-finding program in Alberta hospitals, whereby most patients entering hospital are given a tuberculin test or chest

### Vulcan Pioneer Dies At Calgary

Funeral services for Mrs. Rhys Herdman, who died in a Calgary hospital on November 27 following a lengthy illness, were held from St. Michael's Church, Calgary on December 2.

Mrs. Herdman came to Canada from Glasgow, Scotland, in 1902 and lived for a short time in Hamilton, Ont., and Fernie, B.C. In 1906 she accompanied her husband to the Vulcan district, where they homesteaded south-west of town, residing in this district until 1942, when they moved to Calgary.

Survivors are Mr. Herdman; two sons, William R. and Benjamin, of Calgary; one daughter, Margaret, in Ottawa; eight grandchildren; two sisters Mrs. Albert Cartledge, Big Prairie, Alta., and Mrs. Daniel Simms, Calgary; and two brothers, Benjamin Herrington, Vulcan, and John Herrington, Vancouver.

Interment was made in the Queen's Park cemetery, Calgary.

### Will Speak At Church of Christ

Frank Rempie, missionary, who is departing soon for India, will speak on the subject of "India" at the Church of Christ next Sunday, December 12.

Mr. and Mrs. Rempie and their two sons are enroute to San Francisco, from where they will sail for India in the near future. Mrs. Rempie is a sister of Mrs. Bert Maisey of Kirkcaldy.

A display of articles from India will be placed in the back of the church auditorium for the inspection of the public.

A dollar won't do as much as it used to, because we don't do as much for a dollar as we used to.

## Vulcan Third In Grain Shipping During 1947-48 Crop Year

### Grimshaw Markets Most Grain; Dawson Creek 2nd Biggest Shipper

Vulcan has long been known as the greatest primary grain shipping point in the British Empire. Based on average shipments over a number of years it is still, but for the crop year ended August 1 last it is no longer first or even second, but third in the grain shipments.

Grain statistics recently released by the Sanford Evans Statistical Service show that Grimshaw, 333 miles north of Edmonton, led all other grain shipping points in Canada for the crop year ended Aug. 1. The runner-up was another town situated on the Northern Alberta Railways—Dawson Creek. The record shows that Grimshaw shipped 1,530,000 bushels, Dawson Creek, 1,369,000 and Vulcan 1,133,000.

Grimshaw, situated on the north side of the Peace River as marketing point for an immense area extending 200 miles north, receives deliveries of grain by truck from Fort Vermilion that once used wheat shipments.

Vulcan, of course, had off season due to heavy hail damage through out its marketing area. A good year sees shipments from this point go over the 2,000,000 bushel mark.

X-ray. The rehabilitation of patients, the financing of occupational therapy departments at Calgary and Edmonton, the providing of full-time tuberculous nurses in the three cities, the maintenance of an extensive educational program and the financing of post graduate studies for doctors and nurses are all made possible through the sale of Christmas Seals.

The delivery boy from the fish-monger's presented his package to the servant girl with the simple announcement, "It's C.O.D."

The girl bristled up and replied, "You needn't spell it out for me—and besides, the cook asked for haddock."

### Orrick Reid Dies At Age of 85

Word has been received here of the passing at Langley Prairie, B.C., on October 7 of Mr. Orrick Reid, one of the earliest settlers of the Vulcan district and the man whom the Reid Hill district is named after.

The late Mr. Reid was born in Essex County, Mersea township. He received his early education in Elytheswood and Oakland schools. In 1886 he married Miss Loid Jansen of Leamington, Ont. To this union was born three children: Stanley of Vancouver, B.C.; Austin of Gang Ranch, B.C.; one daughter, Miss Effie Reid of the school staff of Lethbridge, Alberta. Mrs. Reid predeceased her husband in 1923. There is one sister, Mrs. Alfred Scratch, New Westminster, B.C.; one granddaughter, Mrs. Lola Ausgarden, Langley Prairie, B.C., and four great grandchildren.

In 1904 Mr. Reid with his family moved to Alberta. He filed on a homestead in the land titles office in Lethbridge and homesteaded on a farm 35 miles east of Nanton for a number of years. In 1906 he helped establish Reid Hill post office and became the first postmaster there. In 1909 he came a member of the school board which authorized the erection of Reid Hill school, the first built in that vicinity.

Mr. Reid was a successful dry land farmer, having used dry farming methods when they were not generally known through the district.

A contractor and builder as well as a farmer, he helped with the building of many of the early business places in Carmanagay, and later in Vulcan, when the C.P.R. branch from Aldersyde to Lethbridge first went through.

He sold the Reid Hill farm during the first world war and then lived in Vulcan. Later he retired and moved to Langley Prairie, B.C. where he has been for the past 20 years, until the time of his death.

He was in his 85th year. He was a brother of the late J. E. Reid of Oakland and the late Russell Reid of Windsor, Ont. Funeral services and interment took place Oct. 10th at the Pacific coast.

### Annual Meeting Reid Hill H & S

The regular meeting of the Reid Hill Home and School Association was held at the school Thursday, December 2nd, with Ed Roebuck presiding. After repeating of the creed, minutes of the previous meeting and the treasurer's report were adopted as read.

Mrs. Nickerson reported that materials had been secured for the recently formed Hobby Club. A hot plate is to be purchased for lunches.

The Association also voted their co-operation to the local branch of the National Film Council. Discussions were held regarding the Christmas entertainment.

Following the regular meeting, the second annual meeting was held for the election of officers. The retiring president expressed his pleasure at the members' co-operation and diligence. The newly elected officers are: President, Mrs. Mabel McIntyre; vice-president, Mrs. Del Thomas; secretary, Mr. N. O'Hare; treasurer, Del Thomas. The new president named the following as conveners of standing committees: Programs, Mrs. Doreen Drummond; Social, Mrs. Ruth Orchard; Finance, Mr. Ed Roebuck; Membership, Mr. Norman Scotney; Publicity, Mrs. Reta Thomas.

A chop-suey supper was served by Mrs. McIntyre and Mrs. B. McKay, at the conclusion of the meeting.

### Represent Veterans

In order to maintain closer contact with veterans, the Veterans' Welfare Services will now be represented by the Canadian Legion in those towns served by a branch of the Legion.

Veterans wishing advice on any matters and desirous of making an appointment with the Veterans' Services representatives should leave their names with the steward at the local branch of the Canadian Legion.

How can any little girl have to many dolls? This little lady will certainly not complain if Santa Claus brings her another doll.

### Thigh Hill Institute Elects Officers

The December meeting of the Thigh Hill Women's Institute was held at the home of Mrs. O. H. Craig with thirteen members and two visitors present. Meeting opened with president Mrs. Earl Deal in the chair. Roll call was answered with a donation for a parcel for overseas.

The secretary reported \$61.75 realized from the cancer drive. Mrs. Roe reported sending a parcel to Mrs. Cassel in England.

There was a satisfactory report on the Board of Trade Dinner. It was decided to send a parcel to Belcher hospital for Christmas.

A very interesting program is being arranged for 1949 and the new officers will take over their duties in January.

Officers for 1949 are as follows: President, Mrs. Phyllis Erickson; vice-president, Mrs. Helen Roe; sec-treas, Mrs. Ruth Orchard; Directors, Mrs. O. B. Roe, Mrs. H. McKay, and Mrs. Olga Patriquin.

Their was a Christmas pie and all those present received lovely gifts. The new Sunshine friends were drawn for Mrs. Roe won the raffle prize. Mrs. McKay and Mrs. Craig served a lovely lunch.

The next meeting will be at Mrs. Hill's on January 6.

#### THE WEATHER

Much colder weather has prevailed this week, with temperatures keeping close to or below the zero mark.

There is an inch or two of snow on the ground but there has not yet been a heavy snowfall and roads are all open.

## Lions Club First Turkey Shoot Successful Despite Cold Weather

Despite the cold weather, the Lions Club turkey shoot last weekend was very successful, with a steady stream of people trying their hand at winning a bird for the Christmas table.

It is the intention of the Lions Club to make this annual event and it is hoped to have warm, indoor accommodation available next year and to improve the event in various ways.

The lucky winners in the big prize draw were as follows: Bob Willard—Chrome Table and Chair Set; Emil Olsen—2 gals Antifreeze; Martin Gottenberg—Flitted Cosmetic Case; Queenie Marshall—Pressure Cooker; M. R. Graham—Men's Dressing Set; J. Hendrickson—Lomond—Featherweight Electric Iron; N. Soder—6 pairs Nylon Hose; Bud Plumb—Silver Electric Kettle; R. Bach, Champion—3-way Table Lamp; Chas Northcott—3-way Table Lamp.

You can plan a new world on paper, but you have to build it out of new people.

## Fine Entertainment At Annual Amateur Night

### Varied List of Entrants Attracts Large Audience

The fine attendance of parents and friends of the youthful participants in the Vulcan Cultural and Athletic Association's Amateur Night held Friday evening in the I.O.O.F. Hall evidenced the interest taken in this splendid undertaking. The entries were varied and in many instances of really high calibre and judging from the applause, much enjoyed. The task of judges, who were Mrs. M. L. Todd, Rev. E. Justice and Mr. L. F. Dawson, was a difficult one.

J. L. Findlay, on behalf of the Association, welcomed the entrants and their friends, and expressed gratitude of the interest shown by the public.

Mr. Stanley Johnson as a most capable master of ceremonies introduced the contestants and kept up a rapid fire of comment between the numbers. Comment should be offered on the surprisingly fine way the show was organized, with a minimum of time lost between acts.

Cash prizes went to the first, second and third winners in each contest with every other entrant receiving 50 cents as a gesture of encouragement from the Athletic Association.

Rev. O. H. Rollis, Mr. J. Majak-e and Mr. Findlay were in charge of details of arrangements for the evening.

Rev. E. Justice made the awards and outlined the points on which each entry was judged, thus providing the contestants with ways and means of improving their next performances.

The winners and their classifications were: Vocal solo; Comic, 13 years and under: Donnie Chow. No competition. Class No. 2, No entries. Class No. 3, Vocal solo, not comic, 13 years and under: 1st, Anne Nicol; 2nd, Marilyn Scales; 3rd, Jerry Wiley. Class No. 4, Vocal, not comic; 14 years and over: Norma Gerding; 2nd, Elaine Granlin, Champion; 3rd, Betty Hiltz. Class No. 5, Vocal Groups, Open as to age and type: 1st, Garry Banks, Garry Arnold and Brian Loucks; 2nd, Lily and Agnes Bogner. Class No. 6, Piano Solo, 11 years and under: 1st, Cleo Robinson; 2nd, Joan Brown and 3rd, Terrie McAfee. Class No. 7, Piano Solo, 12 years and over: 1st, Gordon Nault; 2nd, Darrel Maisey and 3rd, Helen Nicol. Class No. 8, no entries. Class No. 9, Instrument Groups, open as to age and type, Piano duet: Margaret Anne Collier and Jean Thorpe. Class No. 10, no entries. Class No. 11, Recitations, 11 years and under: Dianne Collier. No competition. Class No. 12, Recitations, 12 years and over: Joan Thomas. No competition. Class No. 13, Monologues open as to age: 1st, Audrey Marguet; 2nd, Arthur Marguet. Class No. 14, Miscellaneous: Dance, Margaret Neilson; 2nd, Marlene Lloyd and Sherry Clayton. Piano and vocal, Jean Ann Fisher. Tumbling Act, Vulcan High School Boys. Playing and singing, Margaret Fuller.

### Gathering Honors Mr. and Mrs. Armev

Mr. and Mrs. W. C. Loose entertained some 45 friends and neighbors of Mr. and Mrs. Edward Armev, at a farewell party at their home Monday evening. A most enjoyable evening was spent in card playing and visiting, after which the hostess assisted by Mrs. Ross Walker and Mrs. W. S. Hill served a delicious lunch.

Later, Mr. Loose, on behalf of those assembled presented the departing couple with a beautiful silver tea and coffee service. In making the presentation Mr. Loose expressed the best wishes of all for much happiness to the Armevs in their new home in Calgary, and commented on their many years residence in the town and district.

Both Mr. and Mrs. Armev graciously thanked their friends for the good wishes extended to them, and their host and hostess for their kind hospitality.

Mr. Armev has lived in the district since 1908, when he came here to homestead from his home in Indiana. Mrs. Armev, as the former Sarah Belle McIntyre, came here in 1915, to teach at the Sunnyside school, from North Dakota. The Armevs were married the following year, and continued to farm until their retirement from the land in 1925 when they moved to town. Mr. Armev purchased the Duncan Motors in Vulcan in 1929, and operated it as the Armev Motors for the next fifteen years, when he sold out and since then has devoted his time to the supervision of his farming interests in the district. His son, Edward, has been associated with him in farming operations for the past two years. Dr. Mary K. Armev, the Armev's only daughter, is at present on the staff of the University hospital, at Edmonton, while Edward is attending Oils Agricultural College, this winter.

### Santa Claus Here Saturday, Dec. 18

Through the co-operation of the Elks, the Canadian Legion and the Lions Club, arrangements have been made for Santa Claus to be in Vulcan Saturday afternoon, Dec. 18th, to meet the children of Vulcan and district.

To start this annual afternoon treat for the youngsters there will be a special picture show in the Vulcan Theatre at two o'clock, with the feature film and short subjects specially selected for the occasion. This show is free to all the children of Vulcan and district and all are invited to attend.

Following the picture show Santa Claus will make his appearance at the Canadian Legion hall so that all youngsters will have an opportunity of talking to him. He will have free treats for all the kiddies and parents will be able to bring the smaller children to see him.

This annual Christmas treat for the children was a project of the Vulcan Elks Lodge for many years. Last year the Canadian Legion joined with the Elks in sponsoring the event and this year the Lions Club also became a joint sponsor.

### School News

The Grades 6 and 7 room had the best percentage attendance during November, averaging 97.13% and Grade 12 was 96.46% and Grades 10 and 11 third with 95.69%.

The I.H.C. picture show was filmed for the students at 4 p.m. on Tuesday. Last week the students saw a Massey-Harris picture, "The Romance of Two Hemispheres."

The C and A Association is buying play equipment, including a ping-pong table, for the lunch room.

Signal classes for the Cadets will begin on Thursday, December 9. The I. Q. tests have been completed.

The list of pupils neither late or absent during November will be printed next week.

## Weddings

PENSTOCK — SANDNESS

An autumn wedding of interest was recently solemnized at the Rutland S.D.A. Church, Rutland, B.C. at 7:30 p.m. on Nov. 21, with Rev. A. Streifling officiating, before an altar banked with spruce and roses.

The bride, Fern Mae, daughter of Mr. and Mrs. A. B. Sandness of Winfield, B.C., exchanged vows with Floyd Penstock of Ensign, Alberta.

Given in marriage by her father the bride was gown in a floor-length model of traditional white brocaded taffeta featuring a flared skirt flounce with long white silk gloves to match.

Her veil of illusion net cascaded to floor-length, from a pearl studded coronet. She carried a shower bouquet of pink roses and white carnations with white streamers.

The bridesmaids were Miss Winsome Sandness, sister of the bride, in flower length mauve organdy and Miss Marjorie Rowe, in pink floor-length organdy. The attendants carried bouquets of pink and white chrysanthemums.

The groomsmen were Mr. Glenn Sandness, brother of the bride, and Mr. Lorenzo Sailor of Rutland, B.C.

The wedding reception was held in the Rutland hall, where more than 300 guests were received. Beautiful roses, carnations and 'mums in the pastel colors made a background for the bride's table, which was centred with a three-tiered wedding cake beautifully decorated. A very fitting program of songs and readings was presented, which all enjoyed very much.

Out of town guests were Mrs. C. Penstock of Ensign, mother of the groom and Herby Penstock, brother of the groom; Mr. and Mrs. C. A. Williams of Vancouver, uncle and aunt of the groom; Mr. Martin Sandness of Vancouver, uncle of the bride; Mrs. I. A. Williams of Sylvan Lake, Alta., grandmother of the groom, Mrs. I. L. Parker of Summerland, B.C., great aunt of the groom and Mr. and Mrs. J. Spangler of Armstrong, B.C.

The happy couple will make their home at Ensign, Alta.

COUTTS — LAWSON

In Metropolitan United Church, Edmonton, Saturday afternoon Nov. 8 at 3 o'clock, Rev. R. McElroy Thompson solemnized the marriage of Eileen Mary, youngest daughter of Mr. and Mrs. C. R. Lawson of Calgary, to Pte. James Robert Coutts, P.F.C.L.I., son of Mr. and Mrs. Kenneth J. Coutts of Toronto.

Entering the church with her father, who gave her in marriage the bride wore a gown of white brocaded satin, made with a hoop skirt and round neckline trimmed with seed pearls. Her chapel length veil was caught to a coronet of seed pearls, and she wore a three strand necklace of pearls. Her bouquet was a cascade of red roses and white baby chrysanthemums. Mrs. Dean S. Lawson, sister-in-law of the bride, was matron of honor. She wore a floor-length gown of sky blue taffeta with a coronet of pink carnations and white baby 'mums. She carried a bouquet of pink and white carnations.

Best man was Mr. Dean Lawson the bride's brother. Cpl. Robert Lowe, R.C.C.S., of Calgary was usher.

Thirty guests attended the reception which was held in the Cottage Tea Room. Mrs. Lawson, mother of the bride, received in a flowered jersey dress, complemented by black accessories and a corsage of pink roses. The bride's aunt, Mrs. Elmer Reid of Westlock, also received, wearing a mauve dress with hat in a deeper shade of mauve. Her accessories were black and corsage was pink roses.

The bride's table was decorated with white and pink chrysanthemums and three-tiered cake, banked in white tulle.

Cpl. Robert Lowe, R.C.C.S., proposed the bridal toast, to which the groom responded. For going away, the bride donned a spruce green wool suit with matching hat and black accessories, with corsage of pink baby roses.

The newly-weds will spend their honeymoon at Niagara Falls, Toronto and points east, and will make their home in Calgary. Mrs. Coutts was formerly of Lomond, Alta.

#### BRITISH PARCELS LIMITED to 20 lb.

There are only a few restrictions on the entry of Canadian gift parcels into the United Kingdom. They must contain only bona fide unsolicited gifts and must be marked as gifts. The contents are subject to customs and or purchase tax, but for the present gift food parcels are admitted without customs charge, provided they contain foodstuffs only and no other goods.

Canadian postal regulations limit the gross weight to 20 pounds (not 22 pounds), when parcels are forwarded by parcel post.

Woman in Norfolk, England, who lost her hat in a millinery store, while trying on new lids, finally found hers in the window, priced at \$7.00.

## RED BOBS WHEAT

Wide publicity has been given to the fact that Red Bobs, on account of its protein content, will be degraded in the course of two or three years. This has proved very disappointing to many farmers throughout Southern Alberta who have grown it quite constantly over a long period of years and apparently were satisfied with it. The fact remains, however, that the quality of our wheat crop must receive first consideration, as the high reputation which Canadian wheat holds on the world's markets has been established on quality. The selling of our wheat to foreign countries has been quite an easy matter for almost a decade, but the situation that prevailed throughout the preceding decade was entirely different. It is only reasonable to expect that the demand for Canadian wheat will lessen as the years continue and quality will then become an increasingly important factor.

Considerable thought is now given to the question of substitute varieties for Red Bobs, and a few remarks regarding some more promising varieties may be helpful.

Saunders, a new variety, distributed last spring for the first time was developed largely for the purpose of replacing Red Bobs in Northern Alberta. It ripens about as early as Red Bobs, is less subject to shattering, and the grain is superior to Red Bobs in both quality and appearance.

Thatcher, also ripens as early as Red Bobs, is much less subject to shattering, and has good milling quality, but, like Red Bobs, is inclined to bleach during bad harvesting weather.

Reliance, a high bearded variety, ripens at practically the same time as Marquis, is less subject to shattering than Red Bobs, and is a heavy yielder.

Marquis, is well known to most farmers as it has been the standard variety in southern Alberta for many years. While the varieties mentioned above outyield it slightly it is still very useful in many districts, as it will withstand the wind and wet harvesting weather better than other wheats.

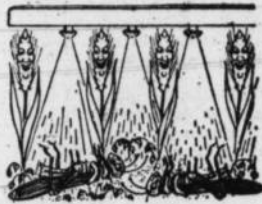

Rescue, on account of its sawfly resistance, is the best variety to grow where sawflies are prevalent.

Variety	Days to Mature	Length of Straw (ins.)	Strength of Straw 10 - perf.	Yield per acre (bus.)
Reliance	104	40	9.0	41.4
Thatcher	104	41	9.2	39.8
